

Patient Loyalty and Referral Programs

As a way to thank our medical spa clients and cosmetic surgery patients for their continued patronage and loyal support, Kevin Mayfield Plastic Surgery and The Medical Spa have implemented new loyalty and referral programs.

Medical Spa Loyalty Program

For every \$500 that you spend at The Medical Spa on spa services, retail products, permanent makeup, and cosmetic injections you will receive a \$25 gift certificate.

Referral Program

To express our sincere appreciation for being an ambassador for our practice by referring friends and family, a \$25 gift certificate will be forwarded to you for each referral making a product or cosmetic services purchase of \$500 or more.

Cosmetic Surgery and Laser Treatment Rewards

All cosmetic surgery and laser treatment patients will receive a complementary gift certificate from The Medical Spa.

Loyalty and referral gift certificates may be used at a future date toward the purchase of any of the following services:

- Botox injections
- Juvederm and Radiesse dermal filler injections
- Medical microdermabrasion
- Makeup applications and tutorials
- Facials
- Waxing
- Permanent makeup

Please Note:

To qualify for a Referral Program gift certificate, your referral must list you as a referral source on their Registration Form at the time of their initial consultation. A gift certificate will be mailed to you when your referral completes their qualifying product purchase or cosmetic service / procedure.

Loyalty and referral gift certificates are not earned on sales tax, and can not be earned or redeemed for any service or product not listed. Loyalty and referral gift certificates cannot be earned or redeemed for any service or product prior to entering the program. Loyalty and referral gift certificates may not be used for gift certificate purchases. They may not be redeemed for cash and are not transferrable to another individual. An expiration date will apply. Kevin Mayfield Plastic Surgery LLC may, at any time, change or discontinue any portion of the Patient Loyalty and Referral program without prior notice.

Thank you.

A handwritten signature in grey ink that reads "Kevin Mayfield MD". The signature is written in a cursive, flowing style.
